How to engage your Oracle SSC team Role	Name	Contact Method	When	Comments
UK Database Engineer	Philip Richard GELDER	Via MS TEAMS	8x5 (9am-5pm UK)	Major Incidents: 5 minute response to critical incidents via MS TEAMS or telephone, with Engineer engaged within 15 minutes. During UK business hours, first check availability of UK Engineers on MS TEAMS. If none available, call 24x7 Duty Engineer. Always follow up call with an email to Engineer Mailbox providing SR details. Other Severity 1 & Escalated Severity 2 Incidents: Send email to Engineer Mailbox providing SR details and, if urgent, contact Engineers via SameTime or 24x7 Duty Engineer hotline as above. Ad-hoc technical queries: Send MS TEAMS message to an available UK Database Engineer.
